

Campus Tour Experience

There's no better way to get to know Chatt Tech than to visit us during an on-campus tour.

In-person tours are offered on select dates and times. We are excited you are planning to visit Chattahoochee Technical College.

From the moment you step on campus, you will feel like a member of our campus community. Your visit will include an information admissions presentation and campus tour.

The Office of Admissions hosts tours throughout the year. Campus tours are combined with an information session hosted by an Admissions Counselor.

Please note that you will participate in a walking tour. Whether rain or shine we will conduct tours, so don't forget your umbrella. Accommodations can be requested on the RSVP form.

For more information on campus tours visit www.ChattahoocheeTech.edu/visit-us

RSVP form
ctcforms.chattahoocheetech.edu/CampusTours/signup.php

If you have questions concerning your visit, need to reschedule or cancel your visit, please contact the Office of Admissions at 770-528-4545 and select the option for Admissions.

Due to space and staffing an RSVP is required.
