Campus Locations

Core classes are offered at seven of our locations!

- **Appalachian Campus**
- **Austell Campus***
- **Canton Campus**
- **Marietta Campus**
- **Mountain View Campus**
- **North Metro Campus**
- **Paulding Campus**
- **Woodstock Campus**

70-plus degrees, diplomas, and certificates in more than 50 programs of study.

Corporate Training

What is Option B?

High School Graduation Option B (formally known as SB2) offers qualified students an alternate path to high school graduation. Students choose to simultaneously earn a high school diploma and a postsecondary credential: two (2) Technical Certificates of Credit in a specific career pathway, a Technical Diploma, or an Associate Degree. Qualified students may take some of the high school required classes under the Dual Enrollment Program.

Complete All Required High School Courses
- 2 English/Language Arts-Must Include American Lit and EOC
- 2 Math-Must Include Algebra 1 and EOC
- 2 Science-Must Include Biology and EOC
- 2 Social Studies
- 0.5 Health and 0.5 PE
- All required Milestone/EOC Exams

Earn Any of the Following Technical College Credentials
- Two approved Technical Certificates of Credit within an approved program of study
- Any One Diploma Program
- Any One Associate Degree

**Please Note Option B students are subject to the 30 hour DE funding cap and

Who is eligible for Dual Enrollment and Option B?

- 10th, 11th and 12th graders are eligible

- 9th graders are **not** eligible

- 10th Grade is eligible for CTAE Courses
  CORE classes: Require min SAT score of 1200 or min ACT composite score of 26 in a single national test administration

- 11th and 12th Grade is eligible for ANY course in the directory
  GAFutures.org

Who is an Option B student?

- A student who has a very clear vision of their career path, or program of interest.

- A student who prefers hands on learning and prefers CTAE to core classes.

- A student who would like to receive an employable credential while still in high school.

High School Graduation Option B (formerly referred to as SB2)

*This approved list of eligible TCC programs is updated regularly by TCSG and GaDOE and subject to change.

Along with the required high school courses, and related assessments, complete any of the following technical college credentials at Chattahoochee Technical College

Any One Diploma Program **OR** Two Technical Certificates of Credit (TCC) from the combinations list below:

Automotive Technology, the following is the sequence of two TCCs:
AE41 Auto Electrical / Electronics Systems Tech
PLUS, Choose one:
ASG1 Automotive Chassis Technician Specialist I AH21 Automotive Climate Control Systems

CAD - Drafting/Industrial Maintenance Technology, choose either sequence of two TCCs:
DA31 Drafters Assistant PLUS CP41 CAD Operator
OR
CP41 CAD Operator PLUS AC51 Advanced CAD Technician

Computer Programmer, the following is the sequence of two TCCs:
JP11 Java Programmer
PP21 PHP Programmer
** These certificates require specific pre-requisite courses in addition to those listed in the certificate. Please refer to the college catalog and work with your advisor regarding sequencing of coursework.

Cybersecurity, the following is the sequence of two TCCs:
CW71 Cybersecurity Fundamentals
IS81 Cybersecurity

Design and Media Production, the following is the sequence of two TCCs:
DAM1 Design and Media Production Specialist
PLUS, Choose one:
AL61 Advertising Layout Specialist I MG21 Motion Graphics Assistant I CK71 Animation Technology

Diesel Technology, the following is the sequence option of two TCCs:
DE11 Diesel Electrical/Electronic Systems Technician
PLUS, Choose one:
DE21 Diesel Engine Service Technician I DTM1 Diesel Truck Maintenance Technician

Early Childhood Care and Education, the following is the sequence of two TCCs:
EC31 Early Childhood Care and Education Basics
PLUS, Choose one:
CD61 Child Development Specialist I IC31 Infant / Toddler Care Specialist

Logistics, the following is the sequence of two TCCs:
LM21 Logistics Management Specialist
SCS1 Supply Chain Specialist

Welding, select any two TCCs from the programs listed below:
FS31 Basic Shielded Metal Arc Welder I GTA1 Gas Tungsten Arc Welder I FC61 Flux Cored Arc Welder I OSM1 Advanced Shielded Metal Arc Welder I GM31 Gas Metal Arc Welder
