**UGA Summer Camps**
Our *Summer Academy at UGA* programs are designed to let you live out your dreams. You can immerse yourself in any world you choose, from photography to video game design to aviation to comic book art. You’ll work with experts in the field to get practical, hands-on experience, and receive helpful advice on how to get where you want to go.

**Requirements:** Application and fee

**Dates:** vary by program

**Deadline:** first come, first served – students will receive a $20 discount if you apply by March 6th, as well as discounted optional t-shirt.

**Cost:** ranges depending on the camp and whether or not students go to the day camp or overnight camp. Minimum cost will be about $350 and goes up from there for overnights.

For more information, and to register online go to:
http://www.georgiacenter.uga.edu/youth/summer-academy

**Center for Disease Control (CDC) Summer Camp**
The *CDC Disease Detective Camp* teaches attendees the fundamentals of CDC’s work: the field of public health and the science of epidemiology. Public health is a vast field that covers many aspects of keeping populations of people healthy. It includes, but is not limited to, research, data collection, data analysis, and health education. Epidemiology, the systematic study of diseases in populations, is one of the sciences used at CDC to help improve the public’s health.

**Requirements:** Application, essay, recommendation, proof of birth date, must be a rising junior or senior and must turn 16 by the first day of camp

**Dates:** One session will be offered June 11-15 and one July 23 – 27 of 2018. All days are 8:45 a.m. – 4:00 p.m.

**Deadline:** April 2, 2018

**Cost:** transportation and lunch each day

**Pre-College Summer Journalism Institute (Boston University)**
In this three week workshop, students participate in seminars and work alongside BU faculty and award-winning local and national journalists on investigative stories that could be published on the center’s website or in regional and national publications. Students will live on the BU campus and gain hands-on experience in investigative reporting while developing critical thinking and writing skills.

**Requirements:** Application (online), High school transcript (official or unofficial) OR photo of most recent report card, Writing Sample (school essay or article), Teacher/advisor recommendation

**Dates:** Session 1: June 25 – July 6, 2018, Session 2: July 9 – July 20, 2018, Session 3: July 23 – August 3, 2018

**Deadline:** The application deadline is two weeks prior to the start of each session, depending on space. Students interested in financial aid or payment plans should apply early, as aid is first-come, first-served.

**Cost:** Tuition and fees - $2,600, Room/Board - $933, $400 discount if paid in full by Feb. 28th, $200 discount if paid in full by March 31st, $800 nonrefundable deposit holds seat till May 31st.

Summer Programs 2018

Pre-College Studios in Architecture, Music Technology and Industrial Design at Georgia Tech
Georgia Tech’s Future of Design studios are intensive two-week workshops for high school students interested in architecture and industrial design. The studios explore both the academic and professional sides of these design disciplines; students will participate in design projects, firm visits and other field trips.

Requirements: Application, transcript, parental release form and essay
Dates: 1st session: June 17-29, 2018 – Architecture and Music Technology, 2nd session: July 8-20, 2018 – Architecture and Industrial Design
Deadline: March 12th, 2018
Cost: $2300 which includes housing, meals, field trips, supplies and social activities. For more information, please visit: http://www.coa.gatech.edu/precollege

Wall Street on West Peachtree (Georgia Tech)
This one-week day camp for high school students has four components: financial literacy, investing, hedging and trading. Financial literacy includes the basics of personal finance, including planning, taxes, debt avoidance and wealth building. The investing portion introduces the student to investing strategies that have worked over time. The hedging module introduces the student to derivative securities and how those securities have been used for speculation or protection. Finally, the trading portion introduces the student to the mechanics of trading stocks, bonds and other securities. The student is taught how to read charts, how to place market or limit orders, how to set up stop losses, and how the major markets operate. The students will spend the week constructing and analyzing their own portfolios using state-of-the-art analysis and trading tools.

Requirements: Register online
Dates: June 18-22, 2018
Deadline: first come, first served
Cost: $450 for course and this includes a daily lunch voucher
For more information, please visit: https://pe.gatech.edu/courses/wall-street-west-peachtree

Camp Neuro and Camp Cardiac on the Georgia Campus – Philadelphia College of Osteopathic Medicine (Suwanee, GA)
With a focus on both education and real world experience, Camp Neuro provides students with a unique opportunity to learn directly from experts in both the medical and psychological fields. In addition, this 1-week summer day camp provides a foundation for healthy living with an emphasis on both diet and exercise. Although Camp Neuro's primary focus is on care and maintenance of the brain as well as psychology, it provides an excellent starting point for careers in all fields of medicine.

Requirements: Application and essay
Dates: June 4-8, 2018
Deadline: April 23rd, 2018
Cost: By April 4th tuition cost is $550, by April 25th tuition cost is $650 – Scholarships available, deadline for scholarship application is April 2nd.
For more information, please visit: http://www.campneuro.org/apply.html
Summer Programs 2018
